

Prevention Information Center

The **Prevention Information Center (PIC)** was established to provide the most up-to-date prevention and health promotion resources possible for the citizens of Colorado. Housed at the Rocky Mountain Center for Health Promotion and Education, the PIC collection includes over 7,800 items covering a wide range of prevention and treatment issues.

Our Services

Statewide Lending Library and Online Catalog: The PIC offers a large collection of books and videos available for two-week loan, without cost to Colorado residents. Loans can be made in person or by mail.

Magazine and Journal Articles The PIC provides access to both print and online professional and research periodicals. Search our databases from anywhere!

PIC Clearinghouse: The Clearinghouse provides free and cost-recovery materials that help you and your community prevent alcohol and other drug problems as well as provide treatment. The Clearinghouse has a large collection of brochures, pamphlets, posters, research reports and resource guides.

Reference and Referral Services: Visit us on the web or contact our knowledgeable staff for help.

Document Delivery and Interlibrary Loans (ILL): Document delivery is free for PIC library cardholders and Colorado libraries. You can borrow our materials from any library that provides ILL services.

Current Awareness: The PIC Newswire tracks news and announcements relevant to those in the substance abuse prevention field
